

Macomb Partnership For Overdose Prevention

Medication Disposal Sites

Located in Southern Macomb County

These drug take back sites are available throughout the community, year-round.

- Liquids, patches, and sharps are generally NOT accepted
- Police Departments will accept narcotics but not all sites are able to
- Please contact the site directly to make sure your medication will be accepted and for their hours of operation
- To protect your personal information, please remove the label from your medication container prior to disposal
